AFTER USE

Core Technology and Qualification

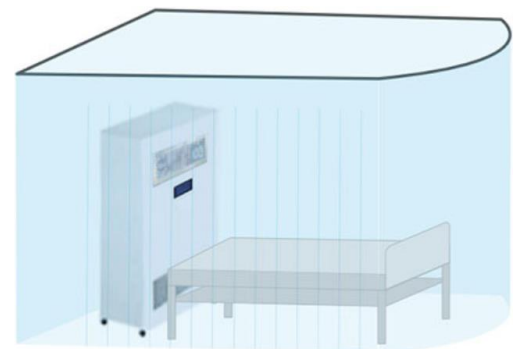

Automatic Anti-virus Sterilization and Isolation Equipment

Efficiency: 99.999%

VS

N95 Mask Eff: 95%

Mobile Cabinet Model

Mobile cabinet model is suitable for patients in bed or sitting resting for transit or temporary isolation.

Product Name	Mobile Cabinet Model		
External Size (H*W*D)	1130*700*300	1600*800*450	1920*900*500
Efficiency	99.999%@0.1µm		
Sterilization rate	99.8%		
Air exchange rate	10 times/hour	15 times/hour	15 times/hour
Noise Level	≤40dB	≤45dB	≤50dB
Air purification disinfection grade	ISO5 (static 100)
